# APPLYING FOR UVU SCHOLARSHIPS

HOW TO APPLY

1. Scan the QR code or navigate to https://uvu.scholarshipuniverse.com/ and log in with your myUVU account information.
2. Click on the "Questions" tab on the left side of the webpage and answer the questions listed to be matched to both UVU and external scholarships you may be eligible to receive. The more questions you answer, the more tailored your scholarship application experience will be. The first 125 questions are used to match students to institutional scholarships.
3. Once you have answered questions, click on the "Scholarships" or "Applications" tab to begin applying for scholarships. Please note, not all our scholarships are application based; some are direct awards which can only be applied for by answering questions.
